Dear Mr. Musgrave,

The Department of Emergency Management (DEM) received your follow-up email request for the Bay Area Urban Area Security Initiative (UASI) on August 13, 2012.

In your email, you refer to a San Francisco Police Department (SFPD) "Remote Pilot Video Camera" project proposal from FY2012. This proposal was never formally submitted to the Bay Area UASI; therefore, it was never received.

According to the SFPD, the proposal was rescinded; a decision was made not to submit it to the Bay Area UASI. The SFPD then chose to stamp "rejected" on the document.

Since the proposal was never submitted and never received by the Bay Area UASI, we do not have any documents responsive to your request for *"emails, memos, reports, meeting minutes and presentation slides that may have accompanied the proposal."*

We also do not have any documents responsive to your request for *"similar project proposals, contracts and reports that the Bay Area UASI has received or produced related to aerial drones, UAVs, UAs or UASs."*

Thank you,

Annette Goley
